Commented [RB1]: Since this is a link - I did not change the name but it should be Unattended Child

7. Library Code of Behavior

7.1.2. Enforcement and Consequences

The library has a goal of maintaining order and protecting the safety of library customers, staff, property, and materials. Library staff may deal with customers who violate the code of behavior. Library staff should be aware of applicable library policies and procedures.

Library staff will inform customers engaging in prohibited behavior about the guidelines for customer behavior and inform the customers of consequences for engaging in prohibited behaviors.

Library staff will contact the Olathe Police Department if they observe or are informed that a customer has engaged in illegal behavior.

Library staff must complete an incident report for theft, vandalism, disruptive behavior, illegal behavior, or injury to staff or a customer. The incident report must be filed as soon after the incident as possible.

The library may engage in progressive forms of consequences if a customer continues to engage in prohibited behavior. The progressive form of consequences may result in a customer not being allowed to remain or enter library on a temporary or indefinite basis.

The Library System Officers (LSOs), in consultation with City Legal, may suspend library privileges of any customer who engages in prohibited behavior.

Suspension periods may vary with the severity and repetition of the behavior. The library will also pursue all legal remedies and prosecution.

7. Library Code of Behavior

7.2. Unattended Child

7.2.1 Unattended Child Under 8

Parents are responsible for the behavior of their child in the library. Children under eight (8) years of age should never be left alone in one area of the library while a parent or caregiver is using another area.

If a child has been left at the library without supervision, the following steps will occur:

1. Staff will attempt to contact the child's family to pick them up.
2. If staff is unable to contact the family, the Olathe Police Department will be contacted for assistance in locating the abandoned child's family and caring for the child.

7.2.2. Unattended Child Over 8

Children over eight (8) years of age, unaccompanied by a parent or caregiver, who behave in a disruptive manner will be warned and if the behavior continues, asked to leave the library. If the child needs a ride home, library staff will assist the child in contacting a parent or caregiver to pick them up.

7.3. Child Left at Closing

If a child under sixteen (16) years of age is not picked up no later than thirty (30) minutes after the library closes and the staffs' attempts to contact a parent or guardian are unsuccessful, the person-in-charge will contact the Olathe Police Department using the non-emergency number (913-782-0720) to report an abandoned child.

7.4. Non-Smoking Policy

Olathe Public Library (OPL) uses the following definitions for smoke and smoking:

Smoke or **smoking** means using a lighted cigarette, cigar, pipe, or any other lighted smoking equipment designed for the use of tobacco, as well as use of an electronic or battery-powered vaporizer (such as e-cigarettes/electronic cigarettes) that simulates tobacco smoking by producing an aerosol that resembles smoke.

An **electronic cigarette** is a battery-powered device which can provide an inhaled dose of a vaporized solution by means of cartridges or other chemical delivery systems.

Smoking is prohibited on the library grounds, except for the designated smoking area.

The library will place signage on the library grounds which indicates the designated smoking area. If OPL staff become aware that a customer is smoking outside of the designated smoking area, they will inform the person of the library's prohibition of smoking policy and direct them to the designated smoking area.

Designated areas at each building are:

- Downtown Library: Upper parking lot, next to trash enclosure.
- Indian Creek Library: Between the electric vehicle charging station and picnic shelter at the park.

If a customer has violated the library's smoking policy on multiple occasions, the Library System Officer (LSO) may restrict the customer's library privileges.
